

Clarusway

Sample Projects Day

- Students will be divided into 4 groups with 4 different teams.
- Four tasks will be given to the groups that will be divided as A, B, C, D.
- All teams in each group will do the same tasks.
 - (For example: A1,A2,A3,A4 teams will solve the same projects.)
- 2 of the 4 projects are simple level and will be done by all teams.
- The time to be given for solutions is 90 minutes.
